***Swimming-** Each afternoon from 12:00 to 1:00 pm, campers are escorted to the Heathrow Racquet Club pool for some well-deserved cool-down time. Campers are monitored by certified lifeguards and the golf staff, and are to be picked up by parents/guardians at 1:00 pm.

***Meals-** Campers may bring their own lunch, or may purchase food from the Heathrow Country Club children’s menu at \$4.00 per meal. Several options are available.

The junior camps are led by Heathrow's Director of Golf Instruction Chris Holmes and Heathrow's Professional Golf Staff. Chris is a fully qualified British PGA Professional and a Certified US Kids Golf instructor. As a former European Tour player, Chris also played golf at the highest level.

Chris has helped many of Central Florida's junior golfers learn and enjoy our wonderful sport, & many of them have played on High School State winning teams and received scholarships to leading colleges. They return each year to help in our camps, where they help create a fun and safe environment, passing on valuable information that the campers enjoy.
